*Denotes Minimum Unit Price Bid

site and correct materials and Work installed at the CONTRACTOR's expense.

Contractor Requested Substitutions: For items that the CONTRACTOR requests for substitution in lieu of those included in the Bid Proposal, the CONTRACTOR shall pay for all material and performance tests required by the ENGINEER and/or jurisdictional agency.

All tests shall be performed in accordance with the specifications of the jurisdictional agency.

OPERATIONS & MAINTENANCE MANUALS

Standard General Conditions 14.02 and 14.07 shall be modified as follows.

CONTRACTOR shall provide O&M manuals to ENGINEER. CONTRACTOR shall provide 6 copies of O&M manuals, unless otherwise agreed upon with the ENGINEER, prior to the final payment.

PAYMENT

Standard General Conditions 14.02 and 14.07 shall be modified as follows.

CONTRACTOR shall submit its pay application to the ENGINEER on the **5th** day of each month. CONTRACTOR is notified that its late submission will delay any payment due for that draw period, and may delay payment until the next scheduled draw payment.

RETAINAGE

Standard General Conditions 14.02 and 14.07 shall be modified as follows.

The retainage on this Project is ten percent (10%).

ECONOMIC DISINCENTIVE

Standard General Condition 14.07 C shall be modified as follows.

The CONTRACTOR shall be liable to OWNER in the amount of \$1,500.00/day for each day the CONTRACTOR is late in meeting the contract Substantial Completion, as adjusted by any time extensions.

BID SECURITY

Bid security shall be in the form of bid bond or cashier's check in the amount of five percent (5%) of the bid.

BURNING

Burning of trash, organic material, or construction-related material shall not be allowed. CONTRACTOR shall haul unsuitable material off site for disposal and costs shall be considered incidental and included in the Unit Prices for the Work.

PREVAILING WAGE RATE SCALE

Chapter 2258 of the Texas Government Code provides that any political subdivision of the State of Texas shall ascertain the general prevailing wage rate received by the classes of Workers employed on Projects similar to this Project and shall specify in the call for bids and in the Contract the minimum wage rates which shall be paid for each type of Worker. This statute further provides that the CONTRACTOR or subcontractors shall pay a penalty to the OWNER sixty dollars for each Worker employed for each calendar day or part of the day that the Worker is paid less than the wage rates stipulated in the Contract.
